Banquette

A cylindrical bolster back supported by short posts gives this banquette a distinctive look for dining rooms and lounge seating. An exposed wood base rail with block feet adds a warm design detail, while a solid deck seat over a plywood platform delivers very firm, durable support. Built with a solid hardwood frame, corner-blocked joints, and high-density foam for lasting stability and shape retention in busy spaces. Upholstered in your choice of COM. Fire-rated for commercial use.
