

Weightlifting Drop Pads (Pair)

SKU: **GG-ACC-033**

Premium Weightlifting Drop Pads are engineered for heavy-duty performance, protecting your floor, equipment, and hearing from high-impact barbell drops. Built with high-density foam, they deliver maximum shock absorption to reduce noise and vibration, creating a safer, quieter training environment. Sold as a pair, each pad is constructed from durable, long-lasting materials to withstand repeated use while maintaining consistent performance. Ideal for both home and commercial gyms, these pads are essential for preserving your lifting space and equipment. High-density foam for maximum impact absorption Reduces noise and vibration during bar...
