

7221

Bench

Clean lines and a plain back give this bench a crisp, modern look, with an upholstered backrest mounted on short metal posts above the seat. A hardwood plywood frame made from multiple bonded wood veneers adds consistent strength, while the solid deck seat and plywood platform create a firm foundation. High-density polyurethane foam delivers supportive comfort with strong shape retention, and the tight seat keeps maintenance simple. Upholstered in your choice of COM. Fire-rated for commercial use.

PRODUCT HIGHLIGHTS

- Hardwood plywood frame for stable, warp-resistant strength
- Solid deck seat for a firm, durable sit
- High-density foam cushioning for lasting support and shape retention
- Tight seat upholstery for a tailored, low-maintenance look
- Upholstered backrest on metal posts for clean-lined support
- Metal base with exposed rail for contemporary style
