Ottoman

Faceted upholstered sides with vertical seam lines give this ottoman a tailored look, grounded by a hexagonal metal base band for a contemporary finish. Hardwood plywood construction with multiple bonded wood veneers helps resist splitting and warping in busy spaces. Corner-blocked joints reinforce the frame for lasting stability, while high-density polyurethane foam delivers supportive comfort with dependable shape retention. Upholstered in your choice of COM. Fire-rated for commercial use.

PRODUCT HIGHLIGHTS

- Hardwood plywood frame for stable, warp-resistant strength
- Corner-blocked joints for reduced movement and lasting stability
- High-density foam cushioning for support and shape retention
- Faceted upholstered sides with vertical seam lines for tailored texture
- Hexagonal metal base band for a contemporary finish
