Ottoman

A rounded rectangular body and fully upholstered sides give this ottoman a clean, tailored look, finished with a contrasting lower panel and curved top edge for added visual interest. Inside, a hardwood plywood frame built from multiple bonded wood veneers helps resist splitting and warping in busy spaces. Corner blocks reinforce the frame, while a solid deck seat and resilient polyurethane foam deliver firm support and long-term shape retention. Upholstered in your choice of COM. Made in the USA.

PRODUCT HIGHLIGHTS

- Hardwood plywood frame for consistent, warp-resistant strength
- Corner-blocked joints for reduced movement and lasting stability
- Solid deck seat platform for a very firm, durable feel
- High-density foam cushioning for support and shape retention
- Rounded rectangular body with fully upholstered sides
- Contrasting lower panel with a curved top edge
