Arm Chair

A U-shaped wraparound back pairs with track arms to create a comfortable, contained seat that feels right at home in busy dining spaces. Straight legs and an exposed wood frame with side stretchers add a tailored look and steady support, while the solid deck seat platform keeps the sit very firm and durable. Built in maple or oak with mortise-and-tenon/dowel joinery and resilient high-density polyurethane foam. Upholstered in your choice of COM. Made in the USA.

PRODUCT HIGHLIGHTS

- Solid hardwood maple or oak frame for lasting durability
- Mortise-and-tenon/dowel joinery for firm, durable strength
- U-shaped wraparound back with track arms for supportive comfort
- Exposed wood frame with side stretchers for added stability
- Solid deck seat platform for very firm, durable support
- High-density polyurethane foam for shape-retaining comfort
