Side Chair

A plain upholstered back with integrated side panels gives this side chair a clean, tailored look for dining spaces. Tapered legs pair with an exposed wood base and side stretchers for steady support in busy rooms. Built with a solid hardwood frame in maple or oak, mortise-and-tenon/dowel joinery, a solid deck seat, and high-density foam for firm comfort that holds its shape. Upholstered in your choice of COM. Meets commercial fire-rating standards.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Mortise-and-tenon/dowel joinery for firm, durable support
- Solid deck seat for very firm, durable comfort
- High-density foam cushioning for shape retention and durability
- Plain upholstered back with integrated side panels for supportive comfort
