Bar Stool

A plain upholstered back with slightly flared sides gives this barstool a clean, tailored look for dining and bar settings. Straight legs pair with a four-leg wood base and perimeter stretchers/footrest rails for steady support. Solid hardwood construction with mortise-and-tenon/dowel joinery and a solid deck seat over a plywood platform keeps the sit firm and durable, while high-density foam helps maintain its shape over time. Upholstered in your choice of COM. Backed by a commercial warranty.
