

4790B

Bar Stool

Track arms and a channel-stitched back bring tailored detail to this barstool, paired with straight legs and integrated stretcher rails for a grounded look. Solid hardwood construction in maple or oak is reinforced with mortise-and-tenon/dowel joinery for dependable strength in busy dining spaces. A plywood-supported solid deck seat and high-density foam cushioning keep the sit firm and supportive over time. Upholstered in your choice of COM. Backed by a commercial warranty.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Mortise-and-tenon/dowel joinery for firm, durable support
- Channel-stitched upholstered back for tailored texture
- Solid deck seat platform for very firm, durable feel
- High-density foam cushioning for support and shape retention
- Exposed wood frame trim for durable, easy-to-clean surfaces
