

ML4088B

Bar Stool

A rectangular cutout detail adds an open, airy touch to the upholstered back of this barstool, paired with straight legs and an exposed wood frame. A tight upholstered seat keeps the look tailored while minimizing day-to-day maintenance, supported by high-density foam over a solid deck seat for firm comfort. Solid hardwood construction with mortise-and-tenon/dowel joinery and corner-blocked joints helps the frame stay stable in busy dining spaces. Upholstered in your choice of COM. Made in the USA.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Tight upholstered seat for a tailored, low-maintenance look
- Rectangular back cutout for a lighter, open feel
- Mortise-and-tenon/dowel joinery for firm, lasting support
- Corner-blocked joints to reduce frame movement
- Metal ferrules to protect floors and leg ends
