

ML4320B

Bar Stool

Clean lines and a plain upholstered back with side panels that wrap slightly forward give this barstool a tailored, built-in look at the bar. A solid deck seat topped with high-density foam delivers very firm support with dependable shape retention. Solid hardwood construction with mortise-and-tenon/dowel joinery and corner-blocked joints helps keep the frame stable in busy spaces, while metal ferrules finish the leg tips with added protection. Upholstered in your choice of COM. Fire-rated for commercial use.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Mortise-and-tenon/dowel joinery for firm, lasting support
- Corner-blocked joints for reduced frame movement and stability
- Tight seat upholstery for a tailored, low-maintenance look
- Upholstered plain back with wraparound side panels for support
- Metal ferrules on straight wood legs for floor protection
