

S4511B

Swivel Bar Stool

A curved wraparound backrest and clean plain back give this swivel bar stool a tailored, hospitality-ready look. The rotating seat mechanism delivers smooth 360-degree movement for easy access, while a round metal footrest ring stretcher helps reduce wobble. Built with a solid hardwood frame in maple or oak, it's finished with exposed wood trim alongside padded upholstery and high-density foam for lasting support. Upholstered in your choice of COM. Fire-rated for commercial use.
