Lounge Chair

Sloped arms curve upward into a plain back, giving this lounge chair a clean, tailored look for lobbies, lounges, and waiting areas. A one-piece upholstered seat cushion pairs with a sinuous spring seat for firm, resilient support that holds up in busy spaces. Inside, a solid hardwood frame with hardwood plywood panels and corner-blocked joints helps reduce movement for lasting stability, while a webbed back adds softer, quieter support. Upholstered in your choice of COM. Meets commercial fire-rating standards.
