Lounge Chair

Track arms and a winged back give this lounge chair a classic, sheltering feel, with wingback sides extending above the arms. An exposed wood base rail with four straight legs adds a clean, grounded finish. Inside, a sinuous spring seat, webbed back, and high-density foam work together for supportive comfort and durability, while corner-blocked joints help keep the frame stable in busy spaces. Upholstered in your choice of COM. Backed by a commercial warranty.
