Lounge Chair

Rolled arms and a winged back with padded side panels give this lounge chair a welcoming, wrapped-in feel for lobbies and guest spaces. A tight seat and plain tight back keep the look tailored while minimizing day-to-day maintenance. Inside, a sinuous spring seat, spring back, and high-density foam work together for resilient support, anchored by a solid hardwood frame with hardwood plywood and corner-blocked joints, plus an exposed hardwood base. Upholstered in your choice of COM. Meets commercial fire-rating standards.

PRODUCT HIGHLIGHTS

- Tight seat and plain tight back for minimal maintenance
- Rolled arms and winged padded side panels for enveloping comfort
- Exposed wood base rail with straight legs for warm style
- Sinuous spring seat for firm, resilient support
- Spring back for supportive comfort that holds its shape
- Corner-blocked joints for lasting frame stability
