

HC5523

Lounge Chair

Sloped, integrated arms wrap into a plain back for a clean, inviting lounge-chair look. A tight seat and back keep the upholstery smooth and easy to maintain, while high-density foam delivers supportive comfort that holds its shape. Built with a solid hardwood frame, hardwood plywood, corner-blocked joints, and a solid deck seat for firm, dependable performance in busy spaces. Upholstered in your choice of COM. Meets commercial fire-rating standards.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Hardwood plywood construction for stable, warp-resistant strength
- Corner-blocked joints for lasting frame stability
- Solid deck seat for very firm, durable support
- High-density foam cushioning for resilient comfort and shape retention
- Tight seat and back with wraparound arms for tailored, low-maintenance style
