

MB5816

Lounge Chair with Metal Base

Track arms and a plain tight back give this lounge chair a clean, tailored look, anchored by an exposed metal sled-style base with angled side frames. A solid deck seat creates very firm support, while high-density foam helps the cushion keep its shape through daily use. Built with a solid hardwood frame and corner-blocked joints for dependable stability in high-traffic settings. Upholstered in your choice of COM. Meets commercial fire-rating standards.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Corner-blocked joints for lasting stability in busy spaces
- Tight seat and plain tight back for minimal maintenance
- Track arms and exposed metal sled base for a contemporary look
- Solid deck seat for very firm, durable support
