

5451WS

Recliner

Track arms and a three-panel channel-stitched back give this recliner a tailored look with inviting texture. A space-saver recline mechanism delivers full recline with minimal rear clearance, making it easy to place close to a wall. Built with a solid hardwood frame, hardwood plywood, and corner-blocked joints, it's designed for steady support in busy settings. Upholstered in your choice of COM. Backed by a commercial warranty.

PRODUCT HIGHLIGHTS

- Space-saver recliner design for full recline near walls
- Channel-stitched back with spring support for lasting comfort
- Tight seat and back for a tailored, low-maintenance look
- Fully upholstered frame for comfort and versatile placement
- Corner-blocked hardwood frame for long-term stability
