Recliner

Track arms and a plain back give this recliner a clean, tailored look, finished with an exposed metal base mechanism/feet. A space-saver wall-hugger design delivers full recline with minimal rear clearance, while a side-mounted recliner lever keeps adjustments simple. Built with a solid hardwood frame of maple and oak, hardwood plywood, corner-blocked joints, and a spring back for resilient support. Upholstered in your choice of COM. Fire-rated for commercial use.
