

4350B

Bar Stool

A plain upholstered back and waterfall-front seat give this barstool a clean, tailored look for dining and bar settings. Tapered legs are reinforced with metal stretcher bars to help reduce wobble in busy spaces. Built with a solid hardwood frame in maple or oak, it's strengthened with mortise-and-tenon/dowel joinery and finished with high-density foam over a solid deck seat for firm, lasting support. Upholstered in your choice of COM. Fire-rated for commercial use.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable use
- Mortise-and-tenon/dowel joinery for firm, durable support
- Plain upholstered back with waterfall seat edge for a tailored look
- Metal stretcher bars between legs for reduced wobble
- High-density foam cushioning for support and shape retention
- Exposed wood frame for durable, easy-to-clean surfaces
