

4830CS

Counter Stool

A wraparound plain back with integrated track arms gives this counter stool a comfortable, supportive feel at the bar. Tapered legs are reinforced with stretcher rails, while a solid hardwood frame in maple or oak is built with mortise-and-tenon/dowel joinery for lasting strength. A solid deck seat over a plywood platform pairs with high-density foam and exposed wood trim for a durable, easy-to-clean finish. Upholstered in your choice of COM. Made in the USA.

PRODUCT HIGHLIGHTS

- Solid hardwood frame for strong, durable performance
- Mortise-and-tenon/dowel joinery for firm, durable support
- Wraparound plain back with track arms for enveloping comfort
- Tapered legs with stretcher rails for added stability
- Solid deck seat with plywood platform for very firm durability
- High-density foam cushioning for support and shape retention
