

Pro Series, Commercial Squat Rack

SKU: **GG-PRO-140**

Safe, versatile, and space-efficient, the Pro Series Squat Rack is built for reliable strength training in home gyms and light commercial setups. The walk-through frame with gun-rack style supports makes bar changes simple, while fixed safety bars provide peace of mind for every lift.

Key Features

- Gun rack bar supports with 9 height positions (87cm to 195cm) for varied training
- Fixed safety bars set at 71cm for confident solo lifting
- Walk-through frame design for easy access and smooth bar handling
- 6 Olympic weight plate storage horns keep plates organised and close to hand
- Low-maintenance plate-loaded setup for long-lasting performance
