

Sterling Series, Olympic Incline Bench

SKU: **GG-STER-126**

The Sterling Olympic Incline Bench delivers focused upper chest training with a stable and supportive design. Featuring a fully adjustable seat and dual stop hooks, it's built for user comfort and unsupervised lifting. The incline angle promotes upper pectoral engagement while reducing lower back stress, making it a smart addition to any strength facility.

Key Features

- Heavy-duty steel frame with robust, commercial-grade build
- Electrostatic powder-coated and heat-cured for lasting durability
- Integrated Olympic plate horns for convenient weight storage
- Low-maintenance, plate-loaded construction
