

5 Ball / Single Sided Storage Rack

SKU: **GG-MEDRACK-005A**

Space-saving vertical storage keeps up to five medicine or slam balls secure, easy to access, and off the floor. Perfect for busy gyms, it helps maintain a safe, organised training area with quick weight identification.

Key Features

- Stores up to 5 medicine or slam balls to keep zones tidy
- Vertical design saves valuable floor space
- Quick and easy weight access for efficient training
- Durable build suited for functional training areas

Note: Balls sold separately.
