

Urethane Olympic Weight Plates (Tri-Grip)

SKU: **See variants**

Engineered with a cast iron core and urethane coating, these Olympic Plates deliver strength and resilience for heavy commercial use. The shock-absorbent layer keeps them quiet and protected, while the ergonomic design makes handling fast and effortless.

Key Features

- Three-handle design for a secure grip and versatile training
- Cast iron core with durable, odourless urethane coating
- Textured matte finish that resists scuffs and maintains appearance
- Stainless steel centre ring for smooth loading on and off the bar
- Built-in separator gap for quick and easy plate pickup
- Bright colour-coded weight markings for instant identification

Available Sizes:

- 1.25kg – Ø 6cm x 2.8cm
- 2.5kg – Ø 8.5cm x 3.5cm
- 5kg – Ø 27.5cm x 3.7cm
- 10kg – Ø 32cm x 5cm
- 15kg – Ø 36.7cm x 5.5cm
- 20kg – Ø 39.5cm x 5.5cm
- 25kg – Ø 41.5cm x 5.7cm
