

2.5-50kg Rubber Dumbbells Set

SKU: **GG-RD-1-SET4**

Built for full commercial use, this 2.5kg – 50kg Premium Rubber Dumbbell Set offers long-lasting performance and reliable durability. Each dumbbell features a solid steel core with a black virgin rubber coating that protects against damage and minimises noise. The heads are machine-pressed under five tonnes of pressure and welded to ensure a secure, one-piece construction that won't loosen over time. The chrome-coated handles feature a precise knurl depth for confident grip and comfort through every set. With 20 pairs in 2.5kg increments, this set provides the versatility needed to support all training levels and exercise types. Weigh...
