

3 Tier / 12 Pair Dumbbell Rack

SKU: **GG-DRACK-013**

Secure, space-efficient dumbbell storage keeps free-weight areas organised and safer to use. The three-tier staggered layout holds a wide range of dumbbell sizes while maintaining a compact footprint.

Key Features

- Crescent-shaped shelf supports help prevent dumbbells from rolling
- Three staggered storage tiers maximise capacity without using unnecessary floor space
- 30-degree angled shelves make dumbbells easier to lift and replace
- Protective cushioning reduces impact when loading dumbbells onto the rack
- Heavy-duty steel frame provides reliable stability in commercial training areas
- Four-point support keeps the rack secure during daily use
- Anti-slip rubber feet improve grip and help protect flooring
- Suitable for dumbbells of different sizes and weights
- Measures L 186 x D 81 x H 101cm
- Net weight of 73kg for a solid, stable setup

Technical Specifications
