

Soft Plyometric Box Set

SKU: **GG-ACC-009**

Impact-absorbing soft surface protects joints while keeping plyometric training intense and effective. Built from high-density foam with a non-slip vinyl cover, these soft plyo boxes deliver durability, comfort, and performance for athletes and everyday users alike.

Key Features

- Reduces knee, hip, ankle, and foot stress for safer landings
- Stackable with Velcro strips for versatile height combinations
- Compact footprint when stacked to save valuable floor space
- Lightweight build makes repositioning fast and simple
- Durable vinyl cover ensures long-lasting use in busy gyms
