

Tornado Airbike (Black Edition)

SKU: CV-AB-002

Officially DEKA-approved, the Tornado Airbike delivers infinite resistance for the ultimate full-body cardio workout. The harder you push, the greater the challenge, making it the go-to choice for high-intensity training in DEKA gyms and commercial facilities.

Key Features

- DEKA-approved for training and official events
- Infinite air resistance that scales with effort
- Dual-action design targets both upper and lower body
- Steel-constructed frame for stability under heavy use
- Durable belt-driven fan with smooth J6 Hutchinson drive belt
- LCD console with manual, target, and interval workout programmes
- Front foot pegs for focused upper-body training
- Oversized seat with quick height adjustment
- Transport wheels for easy repositioning
- Commercial warranty: 5-year frame, 1-year parts, 6 months labour and wearables
- Maximum user weight: 160kg
