

20mm Premium Black Rubber Tile (1m x 0.5m / Grey Fleck)

SKU: **GG-RUBTILE20-BG**

Easy-fit flooring for functional and general gym areas, the 20mm Rubber Gym Tile delivers durability and stability where lighter weights and kettlebells are in use. Built from 100% recycled rubber with a 15% EPDM grey fleck, it locks securely with hidden connectors for a professional, adhesive-free finish.

Key Features

- Ideal for functional training zones and general gym areas
- Tile size: 1m x 0.5m x 20mm, weight 8.7kg (17.4kg per m^2)
- Professional black surface with 15% EPDM grey fleck
- Made from 100% recycled NR SBR rubber for sustainability
- Hidden plastic connectors keep tiles firmly in place
- Fine granule top with 2–3mm granule base for strength and comfort
- Floor hardness rating of 55±5 ShA for reliable performance
- Sound insulation of 20dB (ISO 10140-3) for quieter training spaces
- Resistant to acids, alkalis, and salts (avoid oils and hydrocarbons)
- Quick installation using a Stanley knife and rubber hammer
- Simple maintenance with vacuuming and pH-neutral mopping
