

M Sport Elite

SKU: **GG-SP-005**

Ultra-smooth geared magnetic resistance delivers consistent performance with up to 900 watts of power. The M Sport Elite Bike combines comfort, durability, and advanced tracking features to keep every session challenging and engaging. With Bluetooth connectivity and app compatibility, it's built for both professional studios and serious riders.

Key Features

- 1–24 levels of geared magnetic resistance for precise training control
- Maximum output of 900 watts to push performance limits
- Aluminium 20kg equivalent flywheel for steady, natural motion
- Battery-powered console with Bluetooth for app connectivity
- Tracks speed, watts, resistance, heart rate, RPM, time, distance, calories, and average speed
- 5-second backlight ensures clear display visibility during workouts
- Belt-driven system for quiet, low-maintenance operation
- Aluminium seat and handlebar posts protect against sweat corrosion
- Fully adjustable seat and handlebars for optimal rider fit
- Dual-sided pedals with toe cages and SPD compatibility
- Durable plastic casing to guard against rust
- Quick-adjust resistance lever for smooth level changes
