

Hurricane Air Bike

SKU: **GG-AB-003**

Infinite air resistance for unmatched intensity. The Hurricane Air Bike responds instantly to your effort – the harder you pedal, the greater the resistance. Its dual-action handles engage the upper and lower body, while forward foot pegs let you switch focus to arm-driven power. Bluetooth connectivity keeps every session tracked and measured for progress you can see.

Key Features

- 3mm steel frame built for strength and long-term durability
- Belt-driven fan for a smooth, quiet, and consistent ride
- Dual-action design delivers full-body conditioning
- Forward foot pegs allow targeted upper-body training
- Bluetooth-enabled LCD screen for accurate data tracking
- Quick-adjust seat height for fast user setup
- Oversized seat adds comfort during extended workouts
- Integrated transport wheels for easy movement
