

Studio Aerobic Step

SKU: **GG-ACC-004A**

Durable, adjustable, and built for performance, the GymGear Studio Aerobic Step is a versatile training platform for aerobic, strength, and HIIT workouts. Its sturdy build and non-slip surface keep users safe during fast-paced sessions, while the quick-click height adjustment makes it simple to change intensity levels.

Key Features

- Durable construction for reliable long-term use
- Three adjustable heights (15, 20 & 25cm) to vary workout intensity
- Simple click system for fast, hassle-free height changes
- Textured, non-slip rubber surface for secure footing
- Compact and lightweight design for easy storage and transport
- Integrated click-in raisers – no loose parts to misplace
- Suitable for aerobic, strength, and HIIT training
- Designed for both commercial and home gym use
