

Pro Series, Dual Adjustable Pulley (Full Shroud)

SKU: **GG-PRO-148**

The Gym Gear Pro Series Dual Adjustable Pulley with Full Shroud delivers professional-grade performance, combining versatility, durability, and innovation for a complete strength training solution. Designed to meet the needs of both elite athletes and dedicated gym-goers, it features two 100kg weight stacks with a 2:1 pulley ratio, enabling a wide range of full-body exercises with smooth, consistent resistance. Multi-grip chin-up/pull-up bars positioned above the frame add bodyweight training variety, while the adjustable pulleys allow quick height changes to suit any workout. Built from 2.5mm steel tubing, this machine is made to withstand...
