

50kg Rubber Dumbbells Pair

SKU: **GG-RD-1-020**

Pair of 50kg fully commercial premium rubber dumbbells, engineered for maximum durability and performance. Built with a solid steel core and coated in black virgin rubber, these dumbbells resist chips, cracks, and wear, making them ideal for both commercial and home gyms. Each dumbbell features a solid steel head pressed onto a solid steel handle under 5 tons of pressure, then machine welded to ensure a permanent, secure fit that will never work loose. The chrome-coated handles have the perfect depth of knurling to provide a secure, comfortable grip for safe and effective training. Designed with a simple, modern look and clear weight ident...
