

42.5kg Rubber Dumbbells Pair

SKU: **GG-RD-1-017**

Pair of 42.5kg fully commercial premium rubber dumbbells, designed for maximum strength, durability, and long-term performance. Built with a solid steel core and coated in black virgin rubber, they resist chips, cracks, and wear, making them ideal for any commercial or home gym environment. Each dumbbell head is solid steel, pressed onto a solid steel handle under 5 tons of pressure, then machine welded to ensure a permanent, secure fit that will never loosen. The chrome-coated handles feature the ideal depth of knurling to provide a secure, comfortable grip, enhancing both safety and performance. With a simple, modern design and clear wei...
