

5kg Rubber Dumbbells Pair

SKU: **GG-RD-1-002**

Pair of 5kg fully commercial premium rubber dumbbells, engineered for durability, comfort, and consistent performance. Made from solid steel and coated in tough black virgin rubber, they resist chipping, cracking, and wear, making them ideal for both commercial and home gym use. Each dumbbell features a solid steel weight core pressed onto the handle under 5 tons of pressure, then machine welded to ensure a secure, permanent fit. The chrome-coated, knurled handles provide a safe, comfortable grip for a wide range of exercises. With a clean, modern design and clear weight markings, they combine professional quality with everyday training co...
