

47.5kg Rubber Dumbbells Pair

SKU: **GG-RD-1-019**

Pair of 47.5kg fully commercial premium rubber dumbbells, designed to handle the most demanding training environments. Built with a solid steel core and coated in durable virgin rubber, they resist chipping, cracking, and wear, ensuring long-lasting performance in any commercial gym. Each dumbbell head is pressed onto the handle under 5 tons of pressure, then precision machine welded to create a permanent, secure fit that will never loosen. The chrome-coated, knurled handles provide a safe, comfortable grip for improved control during lifts. With a sleek, modern look and clear weight markings, these dumbbells deliver both style and durabil...
