

45kg Rubber Dumbbells Pair

SKU: **GG-RD-1-018**

Pair of 45kg fully commercial premium rubber dumbbells, built to perform in the most demanding training environments. Featuring a solid steel core encased in durable virgin rubber, they resist chipping, cracking, and wear, ensuring long-lasting reliability in any commercial setting. Each dumbbell head is pressed onto the handle under 5 tons of pressure, then precision machine welded to create a permanent, secure fit that will never loosen. The chrome-coated, knurled handles offer a safe, comfortable grip for enhanced control during any lift. With a sleek, modern design and clear weight markings, these dumbbells combine professional quality...
