

Dual Series, Leg Extension / Curl

SKU: **GG-DUAL-007**

Two machines in one for leg strength and balance – the Dual Series Leg Extension / Curl delivers efficient training for both the quadriceps and hamstrings in a compact, commercial-grade design. Smooth motion, easy adjustments, and durable build quality make it an essential lower-body station for any professional gym.

Key Features

- Dual function design for leg extension and leg curl exercises
- Targets quadriceps and hamstrings to build balanced lower-body strength
- Compact footprint saves valuable floor space
