

Sterling Series, Olympic Plate Rack (8 Horns)

SKU: **GG-STER-140**

Heavy-duty plate storage for busy gyms The Sterling Series Plate Rack keeps weight plates organised and accessible, even in the most demanding commercial settings. Its angled storage pins and compact frame make loading fast and efficient while saving valuable floor space.

Key Features

- Eight angled storage pins for Olympic weight plates
- Compact design helps maximise training floor space
- Heavy-gauge square steel tubing provides strength and stability
- Low-maintenance, plate-loaded design built for daily use
- Durable powder-coated and heat-cured finish for long-lasting performance
