

# Platinum Series, Jungle Multi Gym

SKU: **GG-PLAT-122**

Train up to four users at once with the Platinum Series Multi Jungle Gym, a modular system built for durability and performance. Its versatile design supports small-group or circuit-style workouts, offering countless resistance-based exercise options in a compact footprint.

## Key Features

- Supports up to four users simultaneously for group training
- Low-profile 1492mm design maximises space efficiency
- Customisable with multiple cable attachments for full-body work
- 3mm electrostatic powder-coated steel frame ensures durability
- Anti-corrosion polished guide rods for smooth resistance
- 3.2mm injection-moulded translucent shrouds add impact protection
- Ergonomic handles and PU foam upholstery for comfort under load
- Durable cable and belt system withstands high-volume use
- Patented 3-linkage seat adjustment fits all user sizes
- 5lb weight stack increments for accurate progression
- Fully shielded moving components for safety
- Certified to EN957 commercial safety standards
