

Perform Series, Lat Pulldown (Fixed)

SKU: **GG-PERFORM-006**

Natural, diverging pull keeps the lats under constant tension for stronger, more targeted back work. Wide handles maximise engagement. Smooth travel and adjustable knee pads keep every rep secure and comfortable.

Key Features

- 3mm steel on key structures for long-term stability
- 95 x 81.1 x 3mm D-shaped and 50 x 100 x 3mm racetrack tubing on the weight stack cage
- 3.2mm translucent ABS shrouds that resist impact and wear
- High-density poly-foam pads with double stitching for lasting comfort
- American Loos™ nylon-coated 12-strand cable tested to 250,000+ cycles
- Integrated bottle holder within easy reach
- Height-adjustable knee pads for secure positioning
- Ergonomic TPV grips with aluminium ring stops for control
- Fully enclosed moving parts for user safety
- Precision-lathed pulleys with sealed bearings for a consistent pull
- Built to EN957 safety standards
