

Perform Series, Leg Extension

SKU: **GG-PERFORM-018**

The Perform Series Leg Extension isolates the quadriceps with a controlled knee extension movement for maximum strength gains. Adjustable pads ensure correct alignment and comfort, helping reduce strain while keeping users fully engaged throughout the range of motion.

Key Features

- Targets quadriceps with precise extension for effective strength training
- 3mm thick functional tubing for lasting durability
- Stable weight stack cage with D-shaped and racetrack tubing design
- 3.2mm ABS shrouds for impact resistance and protection
- High-density poly-foam upholstery with reinforced stitching for comfort
- Self-lubricating American Loos™ cable tested for over 250,000 cycles
- Adjustable back and ankle pads for proper biomechanics
- Ergonomic TPV handlebars with aluminium ring limit for secure grip
- Fully shielded moving components to enhance safety
- Lathed pulley with precision bearings ensures smooth performance
- Built-in bottle holder for easy hydration access
- Complies with EN957 safety standards

Technical Specifications

Weight	244.7 kg	**Weight Stack**	91 kg
Length / Depth	157.5 cm	**Pin Select**	Yes
Height	150.6 cm		
Width	118.9 cm		
Frame Weight	133 kg
