

Perform Series, Glute Machine

SKU: **GG-PERFORM-024**

Targeted glute training with controlled motion The Perform Series Glute Machine delivers safe, powerful isolation of the gluteus maximus. Adjustable foot bar and chest pad settings allow precise positioning, giving users maximum comfort and performance.

Key Features

- Glute-focused movement arm for effective muscle isolation
- 3mm thick structural tubing ensures lasting durability
- Weight stack cage with 95 x 81.1 x 3mm D-shape and 50 x 100 x 3mm racetrack tubing for stability
- 3.2mm translucent ABS shrouds provide impact resistance and protection
- High-density poly-foam upholstery with double stitching for comfort and resilience
- Self-lubricating American Loos™ cable rated for over 250,000 cycles
- Adjustable foot bar and chest pad support correct alignment
- Ergonomic TPV handlebars with aluminium ring limit for secure grip
- Fully shielded dynamic components enhance safety
- Lathed pulley with precision bearing delivers smooth motion
- Integrated bottle holder for easy hydration access
- Tested and compliant with EN957 safety standards
