

Perform Series, 4 Stack Multi Jungle

SKU: **GG-PERFORM-029**

Compact 4-stack versatility delivers full-body training in a single space-saving station. This multi-jungle targets upper body, core, and lower body with smooth, controlled motion. Its durable build and ergonomic design keep users comfortable while supporting long-term use.

Key Features

• Upper, core, and lower body training for total strength development

• Compact footprint that maximises floor space efficiency

• Expandable configuration to 5 or 8 stations for scalable setups

• Adjustable pulleys for exercise variety and user convenience

• 3mm thick steel tubing for durability and structural stability

• High-density poly-foam pads with reinforced stitching for lasting comfort

• Self-lubricating American Loos™ cable tested to 250,000+ cycles

• Precision lathed pulleys with low-tolerance bearings for smooth performance

• Ergonomic TPV handles with aluminium ring stops for secure grip

• Shielded moving components and EN957 compliance for user safety

Technical Specifications

Weight	762.6 kg	**Weight Stack**	0 kg
Length / Depth	348.9 cm	**Pin Select**	Yes
Height	238.2 cm		
Width	196.8 cm
