

Perform Series, 5 Stack Multi Jungle

SKU: **GG-PERFORM-030-KIT**

Compact 5-station design with endless training options makes the Perform Series 5 Stack Multi Jungle a smart choice for high-traffic gyms. It delivers full-body training for multiple users while saving valuable floor space. Built for durability and smooth motion, it keeps workouts safe and effective session after session.

Key Features

• Upper and lower body training for complete strength development

• Compact 5-stack layout that maximises space efficiency

• 3mm thick steel tubing for long-lasting stability

• Weight stack cage built with D-shape and racetrack tubing for strength

• Translucent ABS shrouds for impact protection and durability

• High-density poly-foam pads with double stitching for comfort under load

• Self-lubricating American Loos™ cable tested to 250,000+ cycles

• Adjustable pulleys for fast setup and versatile exercise choice

• Ergonomic TPV handles with aluminium ring stops for secure grip

• Shielded moving parts and precision-bearing pulleys for smooth, safe performance

• Built-in bottle holder for quick access during training

• Certified to EN957 safety standards for professional use
