

Perform Series, 8 Stack Multi Jungle

SKU: **GG-PERFORM-031-KIT**

One powerhouse station, endless training options, the Perform Series 8 Station Multi-Gym brings strength, versatility, and durability together in a compact footprint. Perfect for busy gyms, it allows multiple users to train simultaneously while targeting every major muscle group. Engineered from premium-grade materials with smooth, biomechanical motion, it guarantees reliable performance day after day. Adjustable pulleys, ergonomic grips, and convenient touches like a built-in bottle holder make it a professional choice for serious training environments.

Key Features

- Full-body training for multiple users at once
- 3mm thick frame tubing for commercial-grade strength
- Weight stack cage reinforced with D-shape and racetrack tubing
