

Perform Series, Dual Adjustable Pulley

SKU: **GG-PERFORM-032**

Compact, versatile, and performance-driven, the Perform Series Dual Adjustable Pulley delivers near-limitless training options in one space-efficient station. Designed to build strength, balance, coordination, and power, it's a must-have for any professional gym environment.

Key Features

- 2:1 pulley ratio for smooth, controlled resistance
- 3mm thick functional tubing ensures long-term stability
- Heavy-duty weight stack cage built with D-shape and racetrack tubing
- 3.2mm translucent ABS shrouds add protection and shock resistance
- Self-lubricating American Loos™ cable tested to over 250,000 cycles
- Adjustable pulleys allow easy setup for varied exercises
- Ergonomic TPV handles with aluminium ring stops for secure grip
- Shielded dynamic components for safer operation
- Lathed pulleys with precision bearings deliver consistent motion
- Fully compliant with EN957 safety standards for peace of mind
