

Pro Series, 4 Station Multi Gym

SKU: **GG-PRO-132A-KIT**

Designed for versatility and space efficiency, the Pro Series 4 Stack Multi-Station allows multiple users to train simultaneously. It supports comprehensive upper and lower body workouts that build core strength, coordination, balance, and overall stability. This multi-station setup can also be integrated with a Cable Crossover Bar and the Pro Series Adjustable Hi/Low Pulley to form a complete Jungle system, making it an excellent choice for large gyms and training facilities.

Key Features

- Biomechanically accurate movement for smooth, natural exercise
- Multi-functional design for a wide range of workouts
- Adjustable starting positions for proper setup and user comfort
- Ideal for both upper and lower body training
- Expandable with optional attachments for greater functionality
